

THE RETREAT

The retreat will be a residential gathering held in a spirit of quiet recollection, silence, sharing and friendship. It will be open to ordained men and women from all denominations of the Church, and also those in training for ordination. In the daily round of the retreat Fr Laurence's talks (given in English) will be woven in to a pattern of silent prayer. We will celebrate the Eucharist respecting our diverse disciplines in a spirit of unity and be able to share questions, problems and insights.

FR LAURENCE FREEMAN OSB

Fr Laurence Freeman is the Director of The World Community for Christian Meditation which teaches silent prayer throughout the world. He is a Benedictine monk and travels widely as an international speaker and retreat leader. He is the author of many articles and books including 'The Selfless Self', 'Jesus the Teacher Within' and 'Light Within'. Active in inter-religious dialogue and international peace initiatives he has worked with the Dalai Lama and leaders of other faiths. He encourages the teaching of meditation to children and students and the recovery of the contemplative wisdom tradition in the Church and society at large.

THE WORLD COMMUNITY FOR CHRISTIAN MEDITATION

The World Community for Christian Meditation is inspired by the vision of John Main (1926 – 1982), a spiritual teacher and Benedictine monk. He revived a simple, traditional Christian practice of prayer beyond words and images as a means of restoring the contemplative dimension of faith to the Church.

The World Community for Christian Meditation started in 1991. It supports a family of national centres and emerging communities all over the world. The Community is a kind of 'monastery without walls' which has as its spiritual foundation the local meditation group and the daily practice of meditation. People from all walks of life, of all ages meet in weekly groups in schools, churches, schools, homes, offices, prisons worldwide.

WCCM IN THE UK

The UK community supports a network of over 300 meditation groups and arranges meditation days, retreats and conferences. There is also a network for lone meditators. The community is active in a number of areas such as meditation with children, in prisons, as an aid to recovery from addiction and mental health problems.
